TO OUR CHERISHED HOTEL GUESTS

The global spread of the COVID-19 pandemic has generated exceptional times and impacted us all in an unprecedented way. In order to ensure the health and safety of our guests, staff, and the communities we are a part of, we decided to close our hotel, restaurant and spa as the virus spread.

Since March, we have carefully monitored the progression of the pandemic and have strictly followed the advice of both the Canadian and American Public Health authorities.

At the legendary Hôtel Le St-James and JAMES Le Restaurant, our guests have always been at the core of what we do, and we will continue to offer a comfortable, safe and healthy environment during your next stay when we reopen.

Please be advised that our hotel, restaurant and spa will remain closed for the time being. We are working hard to reopen our establishments as soon as possible, since we cannot wait to welcome you back to our legendary landmark hotel.

We really appreciate your understanding and continued support. We are very eager to celebrate your next visit with us in Montréal and at Hôtel Le St-James. In the meantime, stay safe and take care.

Sincerely,
